Meeting Details

Date: March 10, 2025

Time: 4:00 PM – 6:30 PM

Attendees:

- Rohit Pillai
- Priyanshu Vora
- Jenny Dobariya
- Harsh Kapoor
- Neeti Pandya
- Minhazul Islam Mahim

Objective

To track the current sprint's progress, resolve open integration issues, and finalize the checklist for platform-wide testing.

Discussion Summary

- Backend authentication was successfully connected to the frontend, including session persistence and protected routes.
- The save/load functionality for resumes was reviewed. Template 1 is fully functional; Template 2 and 3 are partially wired and will be completed this week.
- Stripe integration for monthly and yearly subscriptions was tested, and successful payment redirects were verified in both cases.
- The team reviewed the UI polish and responsiveness of key pages including About Us and the Templates Gallery, with some layout inconsistencies marked for revision.

Decisions Made

- Each team member will perform cross-browser testing to identify styling or functionality issues.
- Template editing logic for Template 2 and 3 must be completed by March 13.

Conclusion

The platform is nearing completion. Core features are integrated and functioning. Focus is now on polishing UI, completing templates, and preparing for user testing and deployment.
