

# Sprint 5 Report: Final Development & Presentation Prep

**Sprint Duration:** March 15 – April 24

**Team Members:** Rohit Pillai, Priyanshu Vora, Jenny Dobariya, Harsh Kapoor, Neeti Pandya, Minhazul Islam Mahim

*Note: This sprint was extended due to final exams. Work was distributed intermittently and resumed more actively post-exam period.*

## Sprint Goal

Finalize remaining features, polish all components, complete internal testing, and prepare for final project presentation and documentation.

## Discussion Points

- Finalized AI-generated content for Summary and Skills sections
- Developed and integrated the AI chatbot for user assistance
- Completed the About Us page introducing the team and project
- Finalized template selection logic and section-based editing
- Conducted thorough manual testing of major features
- Prepared presentation slides, documentation, and demo content

## Key Outcomes

- Fully functional AI chatbot and content generator implemented
- Enhanced user interface and styling across resume templates
- Presentation narrative, visuals, and responsibilities finalized
- Manual testing helped ensure a smooth and polished user experience

- Final documents and reports compiled for submission
