

## AI Declaration Form

Name of Team: Group 6

Project/Assignment Title: Group 6

Date: 23/4/2025

### 1. Declaration of AI Use

I/We hereby declare that artificial intelligence tools were used during the creation, development, or enhancement of the submitted work. The details of the AI use are provided below:

- AI Tool(s) Used:  
Google Gemini
- Purpose of Use:  
Idea generation  
Code assistance  
Language enhancement  
Debugging  
Data analysis

### 2. Human Oversight and Original Contribution

I/We confirm that:

- All AI-generated content has been reviewed and edited by me/us.
- The final submission represents original work with substantial human contribution.
- AI tools were not used in ways that breach institutional, ethical, or copyright policies.

### 3. Consent and Compliance

I/We understand that failure to properly disclose the use of AI tools may result in academic or professional consequences. I/We also confirm compliance with all relevant guidelines or policies.
